

In last General Election 2022, voter turnout was just **61.5%** meaning a huge **39%** did not have a say .

This year, out of 18,902,689 registered voters, **52%** of voters are aged 18–40, meaning more than half of all voting population are Youth.

4/10

eligible Nepalis did not vote in last General Elections 2022.

Youth Hold the Power This Year.
This is your chance to shape Nepal's leadership !

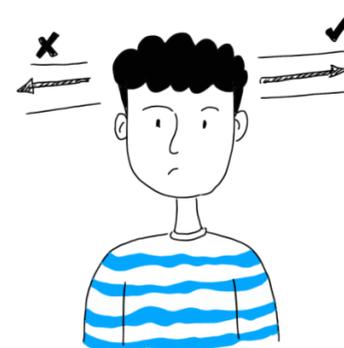

Vote

Register and show up on election day (March 5, 2026).

Stay informed

Follow reliable news, verify facts, avoid hate speech and misinformation online.

Decide wisely

Read election manifestos, discuss with your friends/family/community, critically assess past progress Vs. present promises

How youth can Engage Politically (Peacefully)

Engage

Ask candidates tough questions, join forums/youth dialogues, monitor them post-election, HOLD THEM ACCOUNTABLE!!!

Join campaigns peacefully

Attend rallies, volunteer, advocate for issues while respecting laws and others' rights

Go Beyond Voting- and participate. Democracy grows when youth engage.
Let's make 2026 different!
